Wake Up America Seminars, Inc. is a nonprofit, nondenominational organization. WUAS is not a church, nor does it endorse any denomination. Our focus is singular: We are dedicated to proclaiming the gospel of Jesus Christ and His imminent return. We are delighted that people of all faiths are diligently studying the materials produced by WUAS. All study materials are based on the Bible alone.

### About the Author

Larry Wilson, Founder of WUAS, became a "born again" Christian in 1972. His interest in the gospel has led him on a 30 year quest to learn more about what God has revealed to Earth's final generation. The results of his research has been shared throughout the world through books, television/radio broadcasts, media interviews, and seminars that are available on tape.

Each tape is 90 minutes in length and contains three, half-hour studies by Larry Wilson dealing with Bible prophecy and related topics. Designed for you to open your Bible and follow along.

## Great Clocks from God – \$30 (Videos)

God's timing is perfect . . . always unfolding right on time. When God created Earth, He also created a phenomenon we call "time." The passage of time is measured in several ways. There are at least seven great clocks God uses to measure time as it marches down through the ages to the completion of the Plan of Salvation. You may be surprised to learn that there are predetermined time periods which God has ordained from the beginning. Find out what they are. Charts titled *Roadmaps for the End Times* are also included with this taped series. **To also purchase research paper on this topic: Add \$5**

## 212 Series – The Book of Ezekiel – \$60 (Video) \$36 (Audio)

The book of Ezekiel is poorly understood and the results are that many people have been led to believe things about Ezekiel that have nothing to do with the intended meaning. This seminar series highlights the differences between Plan A and Plan B. The book of Ezekiel predicted a glorious future for Israel IF they had cooperated with God. Examine this series and discover why most of the promises and prophecies pertaining to ancient Israel could not be fulfilled.

View this series at WUAS' web site for free @ [wake-up.org](http://wake-up.org) OR purchase 3 CD Roms for \$15 to play on your computer for higher resolution.

## Series 208 – The Coming King of Glory – \$120 (Video) \$72 (Audio)

Unique Series: A.M. session is a study on the *Great Clocks from God*, and P.M. session is the study, *How God Saves the Greatest Number of People in the Great Tribulation*.
